

Dr. APJ Abdul Kalam visits Gujarat Solar Park

On 09-Nov-2012, Hon'ble Former President of India Dr. A. P. J. Abdul Kalam visited Gujarat Solar Park at Charanka, Patan, which is considered to be the biggest solar park in the entire Asia.

Principal Secretary – Energy & Petrochemicals Dept., Govt. of Gujarat Shri D. J. Pandian, IAS and Uttar Gujarat Vij Company Ltd.'s Managing Director Shri N. Srivastava, IFS and Gujarat Energy Transmission Corporation Ltd.'s Managing Director Shri S. K. Negi accompanied Dr. Kalam during the visit.

On 09-Nov-2012, Hon'ble Former President of India Dr. APJ Abdul Kalam visits Gujarat Solar Park, along with PS – EPD Shri DJ Pandian and UGVCL's Managing Director Shri N. Srivastava, IFS and GETCO's Managing Director Shri S. K. Negi

In his speech, Dr. Kalam appreciated the sincere efforts of Gujarat Power Corporation Ltd. in establishing a giant solar park in times when other states of the Country are yet to understand the importance of Solar power.

Dr. Kalam visited few sites at the Solar Park and thanked all the investors, who have laid down their trust in making Gujarat a Solar Hub. Dr. Kalam emphasized on the acute need to develop alternative sources for generating energy during times when resources available for generating energy from conventional sources are rapidly becoming scarce.
