## GENERAL TERMS AND CONDITIONS OF THE TENDER

Tender for Annual transportation of 8M/200KG PSC poles from different pole factories to various villages under jurisdiction of UGVCL.

### SCOPE OF WORK

Basically, PSC poles of 8 Mtr/200 kg. Type manufactured in pole factories located under jurisdiction of Himatnagar, Sabarmati, Mehsana and Palanpur circle office under the jurisdiction of UGVCL are to be carted to various works sites. The tender is invited with separate Price bid for each pole factories. The bidder who wish to participate in carting of poles for one or more than one pole factory has to select name of respective Pole factory from the list in Price bid and has to pay tender fee and EMD for each Pole factory selected. The work will include:

- a) Loading of poles at Pole Factory-in-to the trucks. Loading should be done with two point lifting. Single point lifting shall not be allowed.
- b) Transportation from the pole factory in-to the trucks.
- c) Unloading of the poles at works site. Unloading should be done with two points lifting only. Single point lifting shall not be allowed.
  - The Bidder should quote the rate against each stage in Price Bid schedule.
  - For carting of poles within 75KM. Distance from the pole factory, fixed rate for 00KM. to 30KM. and 30.1 km. to 75 KM. per pole will be given as minimum charges per pole. For carting beyond 75 KM distance, rate in Rs. Per Pole per KM will be admissible
  - The location to which the poles are to be transported from the pole factories shall be decided by the Executive Engineer of the division for the location under their jurisdiction. If required, agency has to unload poles at more than 1 location for each trip up to 5 location. In case of carting of poles for more than one location, bill shall be raised for actual KM for each location and payment will be made for actual KM for each location for which carting is done.
  - While issuance of Material requisition approximate distance between Pole factory and location of unloading of poles will be mentioned. In case of any dispute in claimed KMs and KMs approved by concern authority, the distance shown as per Google map between two locations will be considered as final.
  - The transporter has to contact concern sub division officer in advance before carting of poles who may depute their subordinate staff to accompany carting vehicle so that poles are delivered at correct location and verification of actual KM travelled.
  - The rate quoted by the contactors shall be inclusive of loading of poles at the factories,  
Transportation of poles from the factory to the destination as directed by the concern Engineer or the Company and un-loading stacking the same at destination.
  - Contractor shall be solely responsible for damages if any does to the pole during loading, transporting unloading and stacking the poles at site. The cost of damages to the poles if any, shall be recovered from the contractor. The cost of such damages will be fixed by the field officers of the Company in whose jurisdiction the poles are carted. His decision shall be treated as final.

- The contactor shall have to transport minimum 60% and maximum 80% poles allotted or as per Material requisition issued every month by different division offices based on allotment of poles from the concerned factory. The quantities of poles and the destination to which the poles are to be transported shall be fixed by the Company's Officer from time to time.
- The detailed order shall be placed from respective Circle office.
- **Time limit:** The tender pertains to the transportation of 8 M PSC poles of the estimated quantity mentioned in PRICE BID for a period of 12 months or the poles contracted are fully transported, whichever is earlier. The Company reserves the right to extend or to reduce the contract period of the original order for three months. Company also reserves right to enhance original contract value if required considering performance of agency during contract period or during extended contract period at the same rate, terms and condition.
- **Penalty:** Company reserve the right to impose the penalty @1/2% per week subject to maximum 10% reckoned on the amount that would have been paid to the contractors, had the poles been carted in stipulated time shall be considered for working out the penalty. Uncarted poles against withdrawal of material requisition will be considered shortfall of quantity for the penalty. Poles should be carted within the stipulated time limit of 30 days from the receipt of Material requisition by the agency. Provided always that the delay in carting by the contractor will be condoned on account of non-availability of PSC poles or due to unforeseen circumstances on his furnishing satisfactory reasons and/or production of documentary proof thereof.
- The payment shall be made by the E.E. of concern Division based on the certificates of the Sub Division Officers for whom the poles are carted. In case of carting of poles for more than one location, bill shall be raised for actual KM for each location and payment will be made for actual KM for each location for which carting is done.
- If the contractor fails to transport poles during any month as directed by the Company's Officers, The UTTAR GUJARAT VIJ COMPANY LTD. reserves the right to cancel M.R. pending with contractor for more than one month and Company shall transport these poles through any other agency or departmentally at the risk and cost of the contractor without giving any notice or observing any formalities in this regards and in that case any expenses that may be incurred in excess of the sum which would have been paid to the original contractor shall be recovered from any un paid amount due to him or from security deposit paid by the contractor and the contractor will have no claim for compensation for any loss sustained by him owing to such action.
- The contractor shall have to enter into an agreement with the Company on stamp paper of appropriate value in the prescribed form whose cost shall be borne by the contractor.
- The general terms and condition of the contract for Works prescribed by the Company in a booklet shall be binding to the contractor and contractor shall have to sign the same.
- Termination of contract: In case the contractor fails to cart the requisite number of P.S.C. poles as allotted from time to time within the specified period of

---

delivery or any retention thereof the Engineer-in-charge shall exercise his discretionary powers either

(1) To recover from contractors damages by way of penalty as stated in earlier clause above or (2) To entrust the work of carting else-where after giving due notice to the contractor & at the risk and cost of the contractor without cancelling the contract in respect of unexecuted work or (3) To rescind the contract & carry out the work under condition No.4 of the booklet of “tender & contract for works” & adopt any of the clauses under (b) & (c) thereof.

- In the event of the Company taking action under clause 2 or 3 stated above, the contractor shall be liable for any loss which the Company may sustain on that account but the contractor shall not be entitled to any gain on such amount made against his default.
- Company may need huge quantity of poles in very short period in special circumstances in that case, Company reserves the right to cart through other carting contractor without informing to contractor to whom the order is placed for particular pole factory.
- In emergency OR unforeseen circumstances, contractor shall have to cart the P.S.C. poles from any other pole factories to any destination of GUJARAT /UGVCL at the same rate & conditions, as and when required on instructions of Engineer in Charge.
- Bidder has to attach List of orders executed in last three years (including works executed in UGVCL) along with copies of satisfactory completion certificate obtained from respective department.
- Bidder has to submit List of works tendered / in hand works along with copies of orders.
- Bidder has to submit EPF certificate.
- Bidder has to give valid Solvency certificate equivalent to 20% of tender value for each Price bid filled up with tender.
- Bidder has to submit Documents from R.T.O. for the Registration of truck in the name of Bidder, Partner of Bidder, along with last tax paid receipt, fitness certificate, insurance policy, public / goods carriage permit etc. and preferably any evidence for availability of appropriate truck for pole carting.
- The lowest Bidder whose bid is accepted shall have to pay Security Deposit @ 5% of order value, within 10 days from the receipt of the acceptance of order. In case contractor fails to pay the Security Deposit within the specified time, his Earnest Money will be forfeited and LOA/order will be cancelled without issuing any notice.
- The lowest Bidder whose tender is accepted shall have to execute the stamp agreement in prescribed form of the Company within 15 days on receipt of order and will have to sign the contract Booklet. In case of partnership firm necessary partnership documents will have to be produced for verification of authority to assign the bills measurements and enter into contract as well as correspondence with the Company. Wherever require necessary power of attorney will have to be produced. The cost of stamp fee shall be borne by you. No payment will be made before execution of agreement. The detail order will be placed after payment of

security deposit and execution of agreement. Payment will be made only after placing of detail order.

Agreement to be executed and Ind. bond duly completed in all respect shall have to be submitted to Respective Circle Office under which jurisdiction Pole factory is situated.

Any bidders desirous of seeking any clarification shall have to send their queries in writing to E.E. Civil at [eecivil@ugvcl.com](mailto:eecivil@ugvcl.com) or D.E. Civil at [decivilcorp@ugvcl.com](mailto:decivilcorp@ugvcl.com).

**SERVICE TAX:** Rate quoted should be exclusive of Service tax. Service tax if applicable will be paid on production of service tax paid Challan of earlier month as per reverse charge mechanism.

- **TOLL TAX:** Toll tax levied during to and fro journey to specified destination shall be paid by the transporter and same shall be reimbursed at the time of payment of bill. Copy of documentary evidence for having paid the toll tax must be furnished by transporter with each bill.

- **SECURITY DEPOSIT:** The successful tenderer shall be required to pay 5% of the order value within 10 days towards Security Deposit on receipt of acceptance of offer by company. No order will be placed without payment of full amount of security deposit. The security deposit can be paid in form of Demand draft/cash or Bank guarantee as prescribed in tender notice. This amount will be payable at respective **Circle Office**. In case contractor fails to pay the Security Deposit within the specified time, his Earnest Money will be forfeited and LOA/order will be cancelled without issuing any notice. It will be refunded after completion of the contract and on production of non objection certificates of all the concerned as well as the pole factory.

- **PRICE VARIATION:**

The price variation due to increase or decrease in the price of diesel will be admissible in increase / decrease per fifty paise (50 paise) in the price of Diesel per litre on submission of evidence and will be effective from the time of its announcement by Government. For slab of 00 km. to 30 km. 25 Paise per pole will be increased/decreased in the quoted rate and for slab of 30.1 km. to 75 km. 60 Paise per pole will be increased/decreased in the quoted rate irrespective of kilometres. (Minimum charges). For distance of above 75 KMs the price variation due to increase or decrease in the price of diesel will be admissible one paise (1 paise) per pole per kilometre in the rate per increase / decrease per fifty paise (50 paise).

- Basic rate of Diesel shall be considered as per rates prevailing on date of **opening of technical bid of tender**.

- The revision in rate will be published by R&C Office based on basic rate of diesel prevailing on the date of **opening of technical bid of tender**.

- No other price variation will be payable due to increase in the rates of tyres, tubes, spare Parts etc.
