Important instructions for submitting the Tender

- 1.0 Superintending Engineer, Circle Office, Mehsana has invited Tender for Labour charges for **Work of Repairing of transformer fencing, provide new earthing to fencing and provide paver block to transformer center for various sdn. under Kadi DO** from the contractors / firms who have executed works of similar nature and magnitude successfully and who are registered under appropriate class.
- 2.0 **Physical submission of Tender documents shall be in two parts system i.e. (1) EMD and Tender fee cover and (2) Technical Bid cover.**

PRE - QUALIFYING CRITERIA

Qualification of bidder will be based on meeting the criteria as specified in Pre-qualifying criteria Part-A and Pre-qualifying criteria Part-B as demonstrated by the Bidder's responses in the corresponding Bid Schedules. Subcontractors' technical experience and financial resources shall not be taken into account in determining the Bidder's compliance with the qualifying criteria. The bid can be submitted by an Indian individual firm only. Joint Venture firms are not allowed.

Notwithstanding anything stated herein above, the UGVCL reserves the right to assess the capacity and capability of the bidder, should the circumstances warrant such assessment in an overall interest of the UGVCL. The UGVCL reserves the right to waive minor deviations if they do not materially affect the capability of the Bidder to perform the contract.

Pre-qualification criteria

Part-A - Technical

- A. Experience certificate and satisfactory work completion certificate showing quantity and amount executed in each work order required for **supply and labor work of M.S. chain link fencing for transformer center work only** by authorized officer of Distribution Company (Not below the rank of Executive Engineer) as shown below.
 - a. The bidder must have successfully erected, tested & commissioned **M.S. chain link fencing for transformer center** (as the case may be in bid) in a single contract in last 3 years as on the date of bid opening, having installation of at least 80% of M.S. Chain link Fencing Quantity of bid quantity in single contract with satisfactory operation for at least one (1) year as on date of opening of Bid.

OR
 - b. The bidder must have successfully erected, tested & commissioned **M.S. chain link fencing for transformer center** (as the case may be in bid) in a Two contracts, in each contract completed in last 3 years as on the date of bid opening, having installation of at least 50% of M.S. Chain link Fencing Quantity of bid quantity (in

Seal and Signature of Contractor

each Contract)with satisfactory operation for at least one (1) year as on date of opening of Bid.

OR

- c. The bidder must have successfully erected, tested & commissioned **M.S. chain link fencing for transformer center** (as the case may be in bid) in a Three contracts, in each contract completed in last 3 years as on the date of bid opening, having installation of at least 40% of M.S. Chain link Fencing Quantity of bid quantity (in each Contract) with satisfactory operation for at least one (1) year as on date of opening of Bid.

FRP Chain link fencing work experience certificate will not entertained..

- B. Work experiences of the bidder as per above shall be considered only if the works have been executed under Public electrical utility of Central or State Govt. in India/Power Utility/ Power DISCOMs / Power sector PSUs & Power Sector CPSUs
- C. Any subcontracting documents shall not be considered for technical evaluation.

Part B: Commercial: For the purpose of this bid, the bidder shall meet the following requirements:

- D. Separate EPF Code No. allotted by RPFC & Last Six month of current year EPF Challan paid copy is required.
- E. **Average Annual Turnover for last three financial years, ending 31st March of the previous financial year, of the bidder should be at least 30% of the estimated cost of the tender. In this regard, separate certificate with UDIN NO. From CA must be submitted.**
- F. Experience of having successfully completed similar works during last 3 years ending last day of month previous in the one which applications are invited should be either of the following:
- a. One similar completed works costing not less than the amount equal to 80% of the estimated cost
- OR**
- b. Two similar completed works, with each works costing not less than the amount equal to 50% of the estimated cost.
- OR**
- c. Three similar completed works, with each works costing not less than the amount equal to 40% of the estimated cost.
- G. Group Insurance:-A copy of the insurance policy of the insured labourer’s.
- H. The contractor will have to under taken responsibility of accidents etc. for his persons during working on the line and same will be on Letter pad with seal.
- I. GST Registration No.
- J. PAN No.
- K. Details of Partners/Directors of the Firm/Company.
- L. Other documents (if required by authority)

Seal and Signature of Contractor

Earnest money deposit of **Rs.** /- should be submitted in form of Demand Draft in favour of UTTAR GUJARAT VIJ COMPANY LIMITED drawn on any scheduled/Nationalized banks payable at Mehsana

Tender without earnest money deposit is not liable to be considered.

Earnest money deposit will be forfeited in case the successful bidder after his tender has been accepted shall refuse to pay the prescribed security deposit and execute the contract.

EMD Exemption: - Now on ward ,follow purchase policy 2016 issued by GUVNL to give exemption in payment of EMD.Clause no 4.9.3 of Purchase policy is as under

“The Micro and Small scale Industrial (manufacturing) units registered under Small Scale Industries of Gujarat State and holding subsequent registration with CSPO/NSIC/DGD&D, Registration Certificates for the item under Tender will be eligible for exemption from payment of EMD on submission of attested copies of their SSI(SSI/MSME Par-II/Udyog Aadhaar Memorandum) & CSPO/NSIC/DGS&D Registration Certificates in EMD cover. This benefit of exemption will not be admissible if they take part in the tender indirectly either through their dealers, agents, distributors or other intermediates.”

Hence, SSI units have to submit two documents (attested copies) as per clause

- a. Any one documents from **SSI/MSME Part-II/Udyog Aadhaar Memorandum**

Technical Specification for supply, Providing & fixing chain link fencing using MS Pipe, MS Angle & G I wire Mesh chain link for distribution Transformer Centre.

1. SCOPE:-

The specification covers supply (including fabrication) providing & fixing of Chain link fencing using MS pipe ,Ms angle & GI wire Mesh chain link for distribution Transformer centres/RMUs as per design & drawing of UGVCL. For the safety aspects, to cover distribution Transformer Centre/RMU, a chain link fencing is to be fabricated from MS pipe of square hollow section (SHS), MS angle, MS Flat & GI wire as per the design & drawing and to be provided/fitted with vertical support posts of MS pipe of Square Hollow Section (SHS) in the ground using standard cement concrete mixture.

2. Design & Drawing:-

Chain link fencing is to be supply as per design & drawing attached with this specification.

3. Quality / Standards of Material to be used

Basic material to be used for the fabrication of Chain Link Fencing which is to be supplied & provided is MS Pipe of Square Hollow Section (SHS), MS Angle, MS Flat & GI wire. Hence material should of standard quality of standard manufactured & name of manufactures to be specified in bid.

4. Size & Dimension of Material to be used

- (i) For Vertical Post: MS Pipe of Square Hollow Section (SHS) of 49.5mm x 49.5mm x 4.5mm having weight of 5.95kg/metre.
- (ii) For Main (outer) Frame; MS Pipe of Square Hollow Section (SHS) of 32mm x 32mm x 3.2mm having weight of 2.69kg/metre.
- (iii) For Chain Link (inner) Frame: MS Angle of 25mm x 25 mm x 3mm having weight of 1.6kg/metre.
- (iv) For Chain Link Mesh: GI wire of 10 SWG with minimum 40 microns coating of Zink & fabrication of mesh of 2" x 2" with approx weight 3kg/Sq. Metre.
- (v) For Hinges: MS Flat of size suitable to MS pipe of 49.5mm with Thickness of 5mm.
- (vi) Miscellaneous material like Hinges, Aldraft, Nut Bolt & other sundary material of Standard quality.

5. Dimensions for fabrication of Chain Link Fencing of standard size as per drawing

(i) Main Vertical Post:

Main post should be fabricated from MS Pipe of Square Hollow Section (SHS) of 49.5mm x 49.5mm x 4.5mm having weight of 5.95kg/metre with minimum length of 2300mm. Normally Five posts are to be used for each fencing as mentioned in drawing.

(ii) Main (outer) Frame:

Seal and Signature of Contractor

Main (outer) Frame should be fabricated from MS Pipe of Square Hollow Section (SHS) of 32mm x 32mm x 3.2mm as per drawing.

Size: Front: Height: 1500mm
 Width: 1650mm

Rear: Height: 1500mm
 Width: 1590mm

Both sides: Height: 1500mm
 Width: 1650mm

(iii) Chain Link (inner) Frame:

Chain Link (inner) Frame should be fabricated from MS Angle of 22mm x 25mm x 3mm as per drawing.

Size Front: Height: 1336mm
 Width: 610mm

Rear: Height: 1336mm
 Width: 575mm

Both sides: Height: 1336mm
 Width: 1200mm

(iv) As per drawing, standard size of chain link fencing will be of 10.88 meter running length (with height of 1.5 meter) & rates are to be quoted accordingly. However, actual size will be very as per site situation & quantity will be considered accordingly.

(v) Labour charges will be fixed per job of fencing.

6. Installation i.e. fitting of Chain link Fencing at site:

Supplier has to fabricate all the section of complete chain link fencing as per drawing, dimension specified as above as well as per instructions of Engineer in charge of concern UGVCL sub division as per site requirement and installation. Prior to installation / fixing at site, all the MS parts should be applied two coats of red oxide. Main vertical posts should be grouted / fitted in the ground in such way that fencing frame should be remain 150mm above from ground level. Minimum 450mm length of vertical posts should remain in ground & it should be fixed up by foundation of standard CC mixture of ration 1:3:6 for the area of 300mm x 300mm & height of 475mm. After installation / fixing at site, two coats standard paints should be applied as per instruction of Engineer in charge of UGVCL sub division.

7. General Condition for Supply and Providing Chain Link Fencing

Seal and Signature of Contractor

1. Zink coating of Chain Link mesh should not be less than 40 microns. For the same, supplier has to produce manufacture’s certificate.
2. Space between Vertical post (49.5 x 49.5 x 4.5) & main frame (32 x 32 x 3.2) should not be more than 60mm.
3. Space between Main frame (32 x 32 x 3.2) & MS Angle frame should not be more than 50mm
4. Fixing of vertical post should be provided with foundation of standard CC mixture of ration 1:3:6 for the area of 300mm x 300mm & height of 475mm with sufficient curing.
5. Fixing of fencing case should be such that over all height at all the place should not be less than 1650mm from ground. Fencing panel height should not be less than 1500mm
6. Chain link mesh is to be fixed in the frame of 25 x 25 x 3mm MS Angle frame with good quality of welding. Fitting of this frame with MS Pipe (32 x 32 x 3.2) should be done with welding using MS Angle.
7. All the fabrication work should be done with good quality of welded & it should be free from sharp edges, concern & unevenness of surface. It should also with good finishing & decent look up to the satisfaction of Engineer in charge.
8. The drawing & dimension (except height) are for standard & normal location. However, it may be very as per site situation. Hence supplier has to approach concern UGVCL sub division, joint visit for each location & record the dimensions according to site situation and accordingly has to fabricate, Supply & fixing the chain link fencing as per the instruction of Engineer in charge of concern UGVCL sub division.
9. The drawing shall not absolve the supplier from his liability for insure appropriate dimensions & to supply & providing accordingly as per the site situation & instruction of Engineer in charge.
10. MS aldraf should be provided with locking arrangement on front side as shown in drawing.
11. Fitting of complete chain link fencing panel with vertical post should be done with appropriate MS flat with thickness of 5mm and Nut Bolt of 2” x 3/4" size as per drawing. It should be in such that both side & rear side, with tight fitting by Nut-Bolts whereas front side, it should be slightly loose fitted so that it can work as hinges.
12. Quality of material: As the major material is a steel item, the material like MS Pipe, MS Angle, MS Flat & GI wire must be as per relevant IS & bidder has to confirm regarding the same. The audit inspection is to be carried out as per terms of the tender.
13. Drawing: The typical layout drawing applicable for the tender invited is annexed.
14. The above material will be fabricated by the contractor (who so ever is awarded this work) to form a cage with door and locking arrangement to suit the protection purpose of the T/C a desired.
15. The carting of the cage at then side will be at the cost of the contractor.
 8. The successful contractor has to install sample cage first and it should be inspected by SDO & DE Tech. Then after you have to install other cage as per sample cage.
 9. The entire job will be prepared with proper care; welding and fine finish giving aesthetic look, to the satisfaction of the E-I-C.
 10. Contractor has to provide name plate on the front side of the chain link cage with the details of name of contractor, work order no & date and date of installation of cage.
 11. Guarantee of chain link cage should be up to 24 months from the date installation.

Seal and Signature of Contractor

“Save Energy for Benefit of Self and Nation”

- 12.** Major materials is of steel items if found inferior a lot of material will be rejected & if not possible replace UGVCL will deduct 30% amount of the end cost price.
- 13.** In case of any discrepancy, the E-I-C will provide the guidelines and the contractor will have to follow the same. The description of the authority issuing the tender and above will be binding to the contractor.

The contractor will have to see that labours working on the site should utilize all safety equipment like helmet, safety belt, hand glows, safety shoes and tool-tackle. If any labour found without safety equipment at site during execution of work, it is fully responsibility of contractor for any accident occurred.
- 12) The contractor shall not demand or accept any help from the intending consumers in line erection works or in transportation of materials.
- 13) Whenever there is an excess work carried out by a contractor beyond the technically sanctioned amount against the work order given, the approval for the excess quantity of work done should be obtained from the competent authority as per Company rules.
- 14) The erection work should be started from the date of commencement given in the order and should be completed within the prescribed period for each work. The

Seal and Signature of Contractor

contractor is bound to complete the work within the specified period of each work given by Executive Engineer.

15) **PENALTY FOR DELAY**

The time limit allowed for carrying out the work as entered in Bid shall strictly observed by the contractor. The work shall throughout the stipulated period of contract proceeds with due diligence (time being essence of the contract).

For delay, penalty shall be @ 0.5% per Week or part thereof plus GST as applicable subject to ceiling of 10% plus GST as applicable of the Order Value as mentions in contract (A/T) (End Cost with GST and Cess as applicable) the ceiling shall be with reference to total contract value with GST and Cess as applicable of the Erection Work Order.

The execution of this contract shall be completed within 12 months after commencement period of 45 days from the date of receipt of letter of acceptance (LOA). The commencement period shall be reckoned form the date of receipt of LOA.

For calculating delayed portion, the date of actual completion of work shall be consider. The penalty will be invariably deducted from the bill of the contractor and no refund will be given unless the competent authority approved the waiver/ reduction in penalty.

The concern field office of _____ Division / _____ Circle will issue sub work order as a part of Schedule-B case to case as per requirement. The work completion period of each sub work order will be decided by concern Engineer-in-Charge from the date of issue of sub work order. The delay of commissioning is liable for penalty.

The penalty will be deducted from bills payable either against this contract or from any Bank Guarantee or any other amount payable under any other contract with the UGVCL.

FORCE MAJEURE CLAUSE”

“If, at any time during the continuance of this contract, the performance in whole or in part by either party of any obligation under this contract shall be prevented or delayed by reason of any war, hostility, act of the public enemy, civil commotion, sabotage fires, floods, explosion, epidemics, quarantine restrictions, strikes lockouts or acts of God (hereinafter referred to as event)”, then provided notice of the happening of any such event is given by either party to the other within twenty one days from the date of occurrence there of neither party shall by reason of such event be entitled to terminate this contract nor shall either party shall have any claim for damages against the other in respect of such nonperformance of delay in performance, and deliveries under the contract shall be resumed as soon as practicable after such event has come to end or ceased to exist, and the decision of the Managing Director as to whether the deliveries have been so resumed or not shall be final and conclusive.

Extension in Contractual Period:

It will be Contractor’s responsibility to ensure that work is completed in stipulated time limit. However, if on account of reasons beyond one’s control as laid down in the Force Major Conditions, UGVCL may consider extension of contractual period with or without statutory variations and with or without price variation. During the monsoon period if Municipality

Seal and Signature of Contractor

Authority or any other local authority denied carrying out work, contractor will not imposed any penalty subject to submission of the letter from the Municipal Corporation area / Nagar Palika. It will be the responsibility of the contractor to intimate the closing down and recommencement of work at all stages to the engineer in charge or vice versa in writing with reason for the closing down of the work with specific of days for which work will remain closed. In case of failure on the part of the contractor his claim for extension of time limit will not be entertained.

In case of no intimation in these regards the reason for delay on this ground will not be accepted.

However, time limit extensions will be considered only after execution of the contract fully and upon submission of documentary evidence for the reasons of delay.

- 16) Priority of work would be decided by the Engineer and contractor shall carry the work within the stipulated period of the order given by the Executive Engineer.
- 17) The contractor must have adequate resources and gang of unskilled personnel to undertake the work at different places simultaneously.
The contractor will be given the separate order for each work on the basis of the rate contract order. The date of commencement and date of completion of work will be stipulated in the order which the contractor has to agree; otherwise the penalty will be liable for the late completion of work as per Company standard conditions.
- 18) The contractor will submit the final bill/ sub-work order bill within three months from the work completion date.
- 19) The payment will be release within thirty days after submission of bill or all relevant documents with invoice or part thereof whichever is later.
- 20) If during 12 calendar months from the date of handing over charge after completion of work, the erected lines are found defective in any way, the same should be rectified by the contractor.
- 21) The contract will remain in force for the period of three years from the date of issue of work order. However, before completion of work against existing order, new tender is invited for same jurisdiction as mentioned in existing order and if rate received lower, than price matching is required.
- 22) **TERMS OF PAYMENT:**

 - **Deductions from Contract Price**

Seal and Signature of Contractor

All costs, damages or expenses which the Owner may have paid, for which under the Contract the Contractor is liable, or any other retention award will be claimed by the Owner. All such claims shall be billed by the Owner to the Contractor regularly as and when they fall due. Such bills shall be supported by appropriate and certified vouchers or explanations, to enable the Contractor to properly identify such claims. Such claims shall be paid by the Contractor within thirty (30) days of the receipt of the corresponding bills and if not paid by the Contractor within the said period, the Owner may then deduct the amount, from any monies due or becoming due by him to the Contractor under the Contract or may be recovered by sections of Law or otherwise.

➤ **Terms of Payment**

The owner shall pay to the Contractor as per the terms of payment mentioned hereunder:

1. The bidder shall raise sub work order wise bills only after completion of all the specified activities complete for each sub work order and the work for the next stage is continued.
2. 100% of the bills will be processed and paid within 30 days after submission bills.
3. Payment of last sub work order shall be made after the work order is completed and M.S. fencing is handed over and accepted by the Engineer – in- Charge in all respects.
3. The order value is based on the quantity, unit rates and values quoted and shall be subject adjustment based on actual quantities executed and certified by the Engineer – in – Charge.
4. Payment of the actual material used and work done will be paid on above basis.

➤ **Presentation of Bills**

- The bills along with required documents for work executed including cost of material consumed is to be prepared in Quadruplicate and submitted 03 copies to the concern Deputy Engineer of Sub Division Office, who will in turn process the same and forward it to Division office for scrutiny and necessary payment. These bills shall be serially numbered.
- Contractor has to submit Bills along with required documents for work executed including cost of material consumed material account along with quantities of work executed for each item. Location wise inventory of all the material used is to be submitted in detail. All required documents including EPF should be produced by the contractor along with bills.
- For non-submission or part submission of above information, no bills shall be processed.

23) **Recording of measurements**

- a) If the work has been carried out satisfactorily, the contractor with prior intimation from the Company Officers shall have to witness the recording of measurements on the appointed date within the month of the completion of work. If contractor fails to come to the appointed date a notice under Registered cover with A.D. will be served on him to witness the recording of measurement prior appointment with the Company officer within ten days of receipt of notice or within such extended period applied for by the contractor and granted by the Company Officer. If the contractor still fails to come for the recording of measurements within the original or extended period of time granted by the Company officer then the recording of measurements will be carried out thereafter unilaterally by the Company Officer and the same

Seal and Signature of Contractor

shall be finalized as per measurements, recorded by the Company's Officer and the same shall be binding on the contractor, no request then will be entertained.

- b) In case, work not carried out satisfactorily either during the progress of work or on its completion, **the conditions as specified vide condition mentioned in tender and contract for works booklet** shall apply and the recording of measurements shall be done within one month of completion of work after rectification of defect by contractor or by the Company at the contractor's costs as the case may be and any further delay in the recording of measurements and finalization of the final bill as mentioned in **the contract book let**.

24) Submission of materials account by contractor:

The contractor shall submit material account with each bill. Also he shall on completion of the work have to prepare and render the final detailed material account of the materials received by him from the Company store within one months from the date of completion work, if however the contractor does not render the material accounts a notice shall be issued to the contractor under Registered A.D. to render the materials account within ten days from the date of issue of the notice. On default, the material account will be finalized and the recovery made as per the Company account and procedure which shall have to be accepted by contractor and disputes if any raised shall not be entertained. The balance materials also will have to be returned by the contractor within one month from the date of completion of work otherwise Company is not liable to accept at a later date.

The contractor will not be allowed to transfer materials from one work to another without the written permission of the field officer justifying the reasons for such transfer.

The contractor will have to use the materials on the work for which they have drawn.

- 25)** Any rules framed or instructions issued regarding contractors by the Company or its representative after awarding this contract shall also a part of this contract and will be binding to the contractor.

On completion of work the contractor will inform the concerned DE in writing and DE will see that if any rectifications are to be required, will intimate to the contractor within 15 days in writing from the date of receipt of the letter from the contractor to complete the rectification works within 7 days. If the contractor fails to do the rectification additions or alterations etc within the above time limit, than the same will be got done through other agency or departmental staff at the risk and cost of the contractor without giving any further notice or any intimation. No complaint will be entertained from the contractor in this regard and amount will be recoverable with 15% supervision charges.

- 26)** Tax deducted at the source (TDS) under Income Tax and under Goods and Service Tax Act will be deducted from bill as per applicable rate, if applicable.

27) Goods and Service Tax (GST):

The F.O.R. destination prices are excluding GST and Cess as applicable which will be paid extra on a given taxable goods and/or services within the original contractual delivery period. The amount of GST/ and Cess as applicable should clearly be indicated separately. (GST/Cess means all applicable Tax/Cess under GST Laws. GST Laws means IGST Act, GST (Compensation to the State for Loss of Revenue) Act, CGST Act, UTGST Act and SGST Act, 2017 and all related ancillary legislations).

Seal and Signature of Contractor

-
- a. You shall have to submit a C.A Certificate & duly authorized Signatory of successful bidder, certifying that you have not claimed Refund of any applicable GST/ and Cess, charged to COMPANY or shall not claim any such Refund, on a future date, from the concerned Authorities and if, any Refund, in respect of such GST/ and Cess, is claimed by you, it will be immediately passed on to the COMPANY, without /COMPANY making any specific Claim, for the same, either from the Department or from you.
 - b. The offers having price INCLUSIVE OF GST and Cess is likely to be rejected if the rate of GST and Cess is not mentioned clearly unless the bidder has opted for Composition Scheme under GST Act, which should be clearly indicated in the price bid. /COMPANY may at its discretion consider such offer with presumption of highest applicable rate of GST/Cess prevailing when the price quoted is inclusive of GST and Cess.
 - c. If the Supplier/Contractor has opted for the Composition scheme of GST, the same must be clearly specified with valid Declaration & Certificate from Department. In the event of withdrawal/cessation of the Supplier from Composition scheme during the tenure of the contract, the rate mentioned in the price bid shall be final and any additional GST will have to be borne by the Bidder. In no case additional amount towards tax or otherwise will be paid / reimbursed to supplier/contractor. Further Statutory Variation clause will not be applicable in case of Supplier / Contractor has opted for Composition Scheme under GST.
 - d. Supplier/Contractor should charge GST in Invoice at the rate as agreed to mention in acceptance of Bid only and any deviation in the same shall not be accepted. Further, any additional liability of GST (later on due to wrong mentioning of GST rate, mis-interpretation of HSN/SAC Code, etc.) over and above as charged in the invoice shall be borne by the Supplier/Contractor. However, any refund received by the supplier / contractor on account of GST charged from the company; such refund shall have to be passed on to the company, along with interest if any. Such refund along with interest needs to be passed on suo-moto by the supplier / contractor.
 - e. Further, the Company has a right to recover the amount of GST along with penal interest at the rate of 15% per annum if GST charged is not paid / short paid to the government or fail to upload the details or uploads inaccurate particulars on GSTIN portal by the Supplier / Contractor within the stipulated time limit.
 - f. In case, Govt. revises the rate of GST rate / Code during the tenure of the contract, the provision of UGVCL’s statutory variation clause shall apply.
 - g. Input Tax Credit Benefit**
In the event of any statutory increase in the rate of Input Tax Credit and / or due to inclusion of any other additional item of their inputs/input services under the ambit of the Input Tax Credit provisions under the GST Act, subsequent to the date of submission of the offer, the same should be passed on to COMPANY and you should inform such changes to COMPANY from time to time

28) STATUTORY VARIATION:

Any statutory increase or decrease in the taxes and duties including GST and Cess as applicable or in the event of introduction of new tax/cess or cessation of existing tax/cess subsequent to

Seal and Signature of Contractor

contractor offer if it takes place within the original contractual delivery date will be to COMPANY's account subject to the claim being supported by documentary evidence. However, if any decrease takes place after the contractual delivery date, the advantage will have to be passed on to COMPANY.

Statutory Variation clause shall not be applicable in case of Supplier / Contractor has opted for Composition Scheme under GST.

29) **ARBITRATION:**

All questions, disputes or differences whatsoever which may at any time arise between the parties to this agreement touching the agreement or subject matter thereof, arising out of or in relation there to and whether as to construction or otherwise shall be referred to the decision of the Sole Arbitrator, as appointed by the MD of COMPANY, for that purpose, who shall be a retired High Court Judge or retired District and Sessions Judge, and the decision of the said Arbitrator shall be final and binding upon the parties. Reference to the arbitration shall be governed by the provisions of Indian Arbitration & Conciliation Act. 1996 as amended from time to time and the rules made there under.

30) **CARTEL:**

If, the Company during the procurement process, observes or suspects any activity on the part of bidders or obtains any knowledge which indicates the existence of cartel formation amongst the bidders or apprehends the possibilities of cartel as defined under The Competition Act, 2002, the Board of the Company being a government Company involved in public procurement work, reserve all rights to allot quantities to such bidders, who are not part of the cartel, in any manner deemed fit in the interest of the Company without assigning any reason thereof.

Besides the above the purchaser Company, may initiate actions under the Competition Act/other laws and / or the bidder(s)/ firm(s) will be black listed / stop deal, at its sole discretion.

31) **Evaluation of Tenders:-**

Tenders shall be called for in two bids: (1) Techno-commercial Bid and (2) Price Bid. The price Bid of Techno-commercially qualified Bidders will be opened. For modification or relaxation in Techno-commercial Conditions after Technical Bid is opened, all Bidders shall be given equal opportunity.

32) **Price Evaluation:-**

No price preference shall be given on any account. All Tenders shall be evaluated on firm Price End Cost with Tax (GST or any other tax) basis unless otherwise mentioned in the Tender documents.

33) **REPEAT ORDER**

Seal and Signature of Contractor

“Save Energy for Benefit of Self and Nation”

The Company may place repeat Order / additional Order after obtaining written consent of successful bidder, provided there is no conspicuous downtrend in the price of such item after obtaining approval from next authority of order approving authority.

The Company reserve the right to place repeat orders / additional orders on the successful Tenderers up to 30% of the original quantity / amount of the A/T at the same Prices, Terms and Conditions stipulated in the original contract. The work completion period for repeat order should be given considering proportionate schedule of main order and it will be started on completion of contractual delivery period of main order.

The company reserves the right to reduce the quantity, if required.

- 34) If work is not started / completed within stipulated time limit period, then contract be short closed with applying risk purchase and Security Deposit is to be forfeited with put on black listing or stop deal for the period decided by the competent authority.
- 35) Penalty condition of Late submission bill by contractor.

If the bill for the work after reconciling inventory given to contractor and depositing back the surplus material to respective RSO/Divisional stores is not submitted within three month from the work completion date as per work completion date then penalty @Rs.200 per week or part thereof plus applicable GST subject to maximum of 10% of order value plus applicable GST will be deducted.
